Whakapapa kōrero hei kīnaki i te pikitia

The diagram illustrates the Whakapapa (genealogy) of the Raukura region. At the top, four circular icons represent the ancestors: Te Tamaiti hei Raukura (a purple figure), Hei Raukura mō te Mokopuna (a colorful feather), Te Puāwaitanga Harakeke (a blue plant), and Tū Rangatira (a red figure). These are connected by a central vertical line to a large wooden structure representing Te Tīrewa Marautanga o Aotearoa. Below this structure is another wooden structure representing Marau ā-kura, which is flanked by the same four circular icons.
